VINEYARD HISTORY

The De Fazio Vineyard history dates back to 1864 when the first block of Shiraz vines were planted along the banks of the Greenock Creek by the original pioneer family. It remained in their family until 1998, when it was purchased by Zitta owner and wine maker Angelo De Fazio.

VINEYARD DETAILS

Location

De Fazio Vineyard situated in the Greenock District, North-West Barossa Valley, South Australia (approximately 4km, or 2.5mi, from the township of Greenock).

Climate

Warm to hot. Dry Summers.

Average Seasonal Temperature Range

Winter 2 C - 18 C Spring 5 C - 25 C Summer 8 C - 36 C Autumn 7 C - 22 C

Rainfall

Average annual rainfall is 508mm (20"), which includes 201mm (8.3") during the growing season.

Topography

Undulating north-west facing slopes, ranging from 250m to 307m (820.2 to 1,007.2 ft) above sea level.

Soils

Shallow red clay and sandy loams over red clays. Mixture of sub-soils containing ironstone, sandstone, limestone, bluestone, slate and schistic gravels.

Viticulture

Original Shiraz planted circa 1864. A succession of replanting and re-trellising has followed. Bush vines average height 600mm (2ft). Single-wire trellising 1.2m (4ft) is used. Rows are spaced 3.7m (12ft) apart, with vines planted every 2.4m (8ft). All blocks are hand-pruned. Bush vines and select blocks are hand-picked.

Grape Varieties

Predominantly Shiraz - various select old clones. Grenache old bush vine, Mataro (Mourvedre) bush vines and patch of old Chardonnay vines.

Irrigation

Supplementary drip irrigation is available for use.

Environmental Aspect

Sustainable land management practices.

2008 GREENOCK SHIRAZ

Greenock Shiraz is a single vineyard wine using select pickings from a block of old, low-yielding De Fazio Vineyard vines running along the Greenock Creek. The wine has been dedicated to the memory of wine maker Angelo De Fazio's father Gaspere, who migrated to Australia from Southern Italy, bringing with him knowledge and skills in the art of traditional, natural wine making, which he passed on to Angelo. "All good wines begin in the vineyard."

A powerful, but elegant wine of great sophistication, it has been specifically made for long-term cellaring, with all tannins and tartrates retained at bottling to ensure the development of greater complexity and integration of flavours over time.

GROWING SEASON

2008 was an extremely hot and dry vintage. There were superb ripening conditions until March when the Barossa experienced its biggest heatwave of all time with 15 days in a row over 35 degrees celcius. Fortunately, the majority of the grapes were harvested by this time so were not overtly affected. Overall 2008 is a very good vintage, with average yields and great quality.

VINEYARD

Zitta Greenock Shiraz is sourced from the oldest vines on the De Fazio Vineyard. The block is located on the edge of the Greenock Creek. The history of this block dates back to 1864 when the first shiraz vines were planted. Cuttings from the original vines have been used to re-establish this block, which consists of deep red clay over iron stone and quartz. The vines are low yielding, cropping at 1 tonne per acre and less in dry years.

WINE MAKING

The grapes were picked in two parcels from February 25th to March 7th. After picking, the grapes were gently de-stemmed into small open-top fermenters. Each batch was fermented warm with hand pump-overs twice a day for an average ferment time of nine days prior to basket pressing. After pressing off skins, the wines were filled to new and seasoned French and American oak hogsheads. The wines completed primary fermentation and underwent natural malolactic fermentation in-barrel. The wine was matured in-barrel for 24 months prior to bottling without fining or filtration.

TASTING NOTES

The 2008 Greenock Shiraz is opaque black in colour. The nose is greeted by rich aromatics of black fruits, savoury spice, liquorice, nutmeg and dark chocolate, with a pleasant hint of wild violet carrying through. The palate is rich and full bodied with purity of fruit. Dark fruits abound and coat all reaches of the mouth. Natural tannins are fine and dusty, but very well integrated. The wine displays a beautiful mouth feel with perfect harmony of fruit, natural tannin and subtle barrel-ferment characters. This silky but solid wine is completed with a truly amazing length. Stylish and pure, this is a superb wine that, while drinking well upon release, will ultimately benefit from a decade or more in the cellar.
